

The closer you look,
the better it gets...

Prowler Proof welcomes warranty claims because they give us a chance to improve our products and the relationship with our customers.

We invite you to have a really good look at our warranty – it's full of pleasant surprises...

| You get a brand new product

The Prowler Proof warranty is Australia's only replacement warranty. Instead of a repair job, you will get a brand new product.

| You don't have to do a thing

The moment your Prowler Proof product leaves our factory, you're covered by the warranty. You don't even need to keep your receipt – all products have a serial number that we can track in our system.

| Claiming is easy

It's easy to claim. Use the online claim form on our website and we'll respond by the next business day, if not before. Or contact the dealer who installed your Prowler Proof product.

| Clean at your leisure

Prowler Proof products are made to last. We expect you to look after your Prowler Proof product like you would any other major investment, but we have no rigorous cleaning schedules laid out.

You are extremely unlikely to ever need the Prowler Proof warranty. But if you do, we'd like you to know that you can count on it. We regard a warranty claim as an opportunity to improve our products and to ensure that no Prowler Proof customer is left behind. Ever.

The closer you look, the better it gets.
